

Stratford Preparatory School

Medium Term Planning – Junior 4

Term: Summer'19

Subject: Project

Aims

1. To work basic research skills.
2. To produce a well-organised piece of research work on a chosen topic.

Objectives

Pupils should:

1. Access material from different sources on the given topic.
2. Be aware of the importance of understanding any material they reproduce.
3. Understand what is meant by in your own words.
4. Start to work on note taking skills
5. Understand what is meant by a bibliography.
6. Use ICT to find information and present their work.
7. Use scanning techniques to collect information

Areas of experience

The school will focus on providing experience in the following areas

Linguistic – command of language and ability to communicate grows through listening, speaking, reading and writing.

Mathematical – Understand and appreciate relationships and patterns in number and space and to develop their capacity to think logically and express themselves clearly. Understanding should come from practical activity, exploration and discussion.

Scientific – Knowledge and understanding of nature, materials and forces. Develop skills associated with scientific process of enquiry: observing, forming hypotheses, experiments and recording.

Technological – Planning, developing and evaluating good quality products. Using tools, materials and equipment. Responsible and safe use of computing.

Human and social – People and environment, how human action in the past has influence events and conditions.

Physical – Physical control and co-ordination as well as tactical skills and imaginative responses to evaluate and improve performance. An understanding of fitness and health.

Aesthetic and creative – Making, composing and inventing, present in all areas especially Art, Music, drama, dance, literature.

Scheme of Work/ Weekly Programme of Study

- The pupils will work independently on their chosen subject.
- They will be responsible for having all appropriate material with them for the lesson and be properly prepared for the task.
- They will be supported as necessary, however the emphasis is on their own work as preparation for their secondary school education.
- The pupils will use ICT and the school library to assist in their research.

Differentiation

All children will work on the above. The more able will be encouraged to expand and develop their writing skills. Support will be given where appropriate.
